ENRICHMENT PROGRAM

## REGISTRATION FORM

### IT'S ALL ABOUT THE SCIENCE!

#### PLANETS & MOONS

Explore our solar system in this "mad" planetary tour and learn how the planets stack up.

#### LIVING IN SPACE

Experience the life of an astronaut as you suit up for space flight! Make a Cosmic Chronometer watch to measure the time here on Earth!

#### HARNESSING HEAT

Learn the properties of heat. Witness an underwater volcano, experiment with thermometers and have a "Sand Blast!"

#### CHE-MYSTERY

Explore exciting physical and chemical reactions as you make "goo" out of foam and make oil and water mix.

#### LAB WORKS

Enjoy this whirlwind class on how a lab works! Take home your very own gear to continue your research!

#### SCIENCE OF MAGIC

Magic? No, it's science! Learn the science behind magic tricks you can recreate for yourself & others.

#### CHEM-IN-A-FLASH

Hop on the chemistry express for a high-speed science experience! Pick up an Action Flask and have a blast!

#### KITCHEN CHEMISTRY

See how cooking is all about chemistry. Discover the virtual laboratory we call a kitchen.

### How big are the classes?

We believe in quality over quantity! Classes will have 12-24 students.

### What if my child misses a session?

All of our class topics are independent of each other. If your child misses a class, it will not affect their progress in the After School Program. There are no prorates or refunds for missed classes.

### Attendance

Attendance is the responsibility of the parent. Please write the dates of the classes on your calendar and remind your child to attend class! If your child is not old enough to go to and from Mad Science, please consider waiting to enroll them until next year (Except most Kindergarten Classes).

### What is Mad Science?

Mad Science of Los Angeles conducts educational, entertaining and hands-on science activities for preschool and elementary age children. Our approach is simple. We use exciting activities and spectacular demonstrations to capture the attention and imagination of children. Once captivated by the presentation, we introduce a series of awesome experiments in which the children can participate. Our programs are educational and FUN!! We supply all of the materials and equipment used in the course and the children make and take home a variety of science projects.

### Do you have a guarantee?

Yes! Our guarantee is simple. You will be satisfied with Mad Science or we will make it right, period. Our reputation is built on the quality of our programs and we constantly strive for improvement. After attending the first class, If your child does not wish to continue in Mad Science, simply call our office prior to the second scheduled class and we will issue you a refund (less a \$20 processing fee). After that time, no refunds will be issued.

All refunds take 4-6 weeks to process.

Please note program dates and times on your calendar - Confirmations will be made by email only.  
Your canceled check or Credit Card Statement is your receipt.

Completing the registration form enrolls your child in the Mad Science program. You agree to release the School and the School District from all liability. You also agree that your child will adhere to the classroom policies established at the first meeting.
